

Commodore's Corner

Howard Marks

Welcome to the New Jib. It's simpler and more to the point. It will have the usual Commodore's Corner front page and then basic announcements and event details, as found in the Coming About News. All content should fit on two (2) pages, front and back. There will be no Calendar format and no list of specific birthdays other than the announcement of our usual Birthday Babies Dinner each month. Contributions to the Jib are still encouraged and will be sent to me at enhowsail@aol.com. No Flyers will in the Jib but will be sent to you as separate email reminders. I'm sure this will be tweaked as we go. Let's see how it shakes out.

Carol Rizzo is no longer doing the Jib. After 20+ years of outstanding service to this cause, that time has come. We thank you Carol for doing the Jib each and every month for all these years. And so, let's have at it.....

The Planning Meeting at Juliette's house a couple of weeks ago was quite fruitful. Twenty (20) people were in attendance. We discussed the future of LISSA and how to regenerate membership. As the pandemic has driven us and many other clubs to the edge of extinction, members at the meeting felt it necessary to create a FREE Membership package that would sort of offset the absence of events on the schedule for the past 10 months. We've pretty much planned the year until September. Check it out. We think it's a pretty full calendar of events and generally well received by those LISSA members at the last planning meeting.

FREE MEMBERSHIP IN 2022: Membership is still open for 2021. The fee is \$50.00. All those who join in 2021 will get FREE membership in 2022. We invite all of our old members and past members to rejoin us now. Make check payable to LISSA, fill out the Membership Form, which will be sent to you in a separate email, and return both to our Membership chair, Carol Rizzo, asap. **This will be the year of the club give-back to members. In addition to free membership next year, as a perk, we are giving you two (2) free LISSA picnics, with food, this year.** Read the details below. We have some money. Let's spend it on our members.

PICNICS: Due to Covid restrictions, the Town Of Huntington will not be issuing any picnic permits at Crab Meadow this year. But, we have replaced them with four (4) picnics. See "Coming About" for all the details.
