MOVING ON - 2021

Last March, Carol and I were returning from Puerto Rico after visiting our friend Carol Kelly. There was no mention of COVID, and no restrictions on the plane or in the terminal. I guess we made it home just in time, because about a week later all hell broke loose. The rest is pandemic history. It's been a rough winter for many, in every regard. As difficult as it is dealing with the social restrictions still in place, Carol and I have both had COVID, recovered from COVID and are moving on with our lives... and THIS is the point I want to make. Let's move on. In the coming month, we'll be reaching out to you for ideas and activities we might enjoy this summer. The weather will be getting warm so, let's do some planning. See below for the 2021 Agenda Overview: **(10 items)**

FIRST: A place to have a Planning Meeting in early April. If you wish to supply your backyard patio, please call me asap. You'll need about 15 chairs. **SECOND:** We will need to discuss and pick a date for our Annual Crab Meadow picnic. Remember, the State will not be issuing any alcohol permits this year so, there will be no adult beverages, sadly. As of this date, the Town Hall staff is still working from home. We'll need to pick a primary and secondary date by Memorial Day. **THIRD: A trip on the Port Jefferson Ferry**, with dinner in Port Jeff. There should be plenty of parking in the Ferry Parking Lot. **FOURTH: A lobster dinner across The Great**

South Bay, that is, if the Ferry will be running and the cost is reasonable... George. **FIFTH: A Commodore's Brunch at Sangria 71**, in Commack. **SIXTH: Patricia Kamin-ski's picnic at Heckscher Park.** **SEVENTH: Pool/Patio/Lawn party.** **EIGHTH: Outdoor music concert** somewhere on LI. Hopefully, these music events will be allowed to take place. **NINTH: Overnight trip to Mystic Seaport, in Ct.** (*Perhaps one (1) day with an early start.*) **TENTH: Carol's Bonfire, Boat and Beach party** at the end of the summer... hopefully. **1 REQUEST:** If you have an idea for an outing, please call me to discuss it. Let's put it on the calendar. Howard: (631) 226-1575. We can never have too many ideas.

We will always remember Doug Lederman who passed away a couple of weeks ago. You could always find him on the dance floor, cane in hand, despite his back pain and discomfort. He always had a smile, a funny word and a kind heart. I take my hat off to Doug and his memory. He was a great guy. I will miss him a lot. Later this year, we'll be planning a memorial for him, with his sister Charlette, at Crab Meadow, if we can. We extend our deepest condolences to his family, his sister Charlette, and all his friends. Doug will be cremated, in a private service.

Don't forget: Good times are ahead – but it needs planning. I need your help. If you have an idea for a trip, an outing or an event, call me to discuss it. We'll put it on the calendar.

See You All - Out There!!

COMING ABOUT NEWS

Folks, we have nothing on the calendar for this month, so let's consider:

**Wednesday, March 17th
St. Patrick's Day**

As restrictions are getting fewer and more places are opening up, perhaps we can plan something for St. Patrick's Day. If you have any ideas, let Howard know.

Also we need a volunteer for Birthday Babies this month. Please consider hosting. Contact Howard with any ideas.

Let's make the best of a given situation. We are not making light of the virus by no means. As the numbers are improving and things are getting better, a member has come forth with an idea to have a "COVID SURVIVOR PARTY" for those who have been vaccinated already (or others who are otherwise immune for a while). Just think—we could share how we survived and we all have a story to tell! Good idea?? Of course, we will obey all rules—i.e., masks, social distancing, etc. Let Howard know what you think, pick a date, place and time and we'll go with it!

NOTICE

If you did not renew your membership, this will be the last edition you will receive through email.

IN MEMORIUM

DOUG LEDERMAN

LISSA mourns the loss of long-time member, Doug Lederman, on February 12th. Everyone who knew him will agree that he was the nicest person and was always pleasant and fun to be around. He will be greatly missed. Our condolences to his family and closest friends. May he rest in peace.

Memories of Doug

Doug had an incredible personality for a man that was crippled with severe arthritis, but you could find him on the dance floor with his cane bringing a smile to many people. Yes, he was my best friend. I have to say, I've seen him at his best and I've seen him at his worst. His dog had similar traits just like him, arthritic. I remember the day that he stood over his dog's grave and wept bitterly. Standing there next to him I wept as well. The man had such an influence on people. Doug had great parties in his backyard. Yes, even his pool started to grow trees and I thought that was funny because he complained about his bumblebees chewing holes in his shed. But he would plug up the holes. That was Doug. Doug was always willing to go to the next party or dance. People just gravitated to him, especially the females who wanted to dance with him. I called him Ozzie because he used to travel to Australia and tell me about the parties and friends he used to have over there. He is definitely going to be missed by me because he was my go to guy when it came to having fun... I know the pain he was experiencing. If I was to think positive, he's in a better place and yes, one day we will all be together in that special place.,,,,,Frank Borrero.
